# Rules

## Of the El Kahir Shrine Bar Lottery

- To play, pay \$1.00 & draw one (1) card from the Bartender's deck. Your name and corresponding card will be recorded on the official spreadsheet.
- Only **1 card** can be purchased per person. Game is limited to 53 players (1 joker will be in the deck).
- Have some drinks, eat some pizza and wait until 7:07 PM. Cards are available from bar opening until 7PM.
- At 7:07PM an uninterested person will draw 1 card from the deck. If that card matches a name on the official spreadsheet, that person wins all the money in the pot. If that person is not present, all the money in the pot will go into the pot for the following week.
