Message From Your Potentate

Dear Nobles and Ladies,

The Future is so Bright for El Kahir!! I would like to talk about El Kahir in 2020. When I first started on the divan most of the time, we were worrying about fundraising to pay for the operational expenses. Now the future looks bright and I would like to thank Ill Sir Jay, the 2019 Divan and especially all of the Nobles and Ladies that came out and helped this last year. I can say the Future Looks Bright for El Kahir. In November and December this last year instead of fundraising just for operational expenses, there was fundraising for the Transportation fund to help the children so I can say the Future Looks Bright for El Kahir.

2020 is going to be an interesting time for the Shrine, many things are happening in Shrinedom. A New Clinic is being built in the Twin Cities, there are New Outreach clinics on-line or in the works. I tell you that NOW is an Exciting Time to be a SHRINER.

In 2020 for El Kahir, we are going to look to the future. Financially El Kahir has a bright Future. NOW it is time to look at what more we can do to help the children and have fun while doing it. We are going to have FUN WITH A PURPOSE THIS YEAR. Part of the fun is fellowship with one another while letting the communities know what the Shrine is all about. There are going to be more events this year that are just for this purpose. I am hoping that one of the biggest events this year is going to be the Shriner Awareness day here at El Kahir on Saturday June 6th. This day is an opportunity to tell all the communities in the surrounding area about what we do and hopefully find new children we may help and new men that would make great Shriners.

June 13th is the El Kahir Picnic and Caravan - this is the time to have fellowship, fun, and parade. The Caravan will be at Strawberry Point and the picnic will be at Backbone State Park. We have a lodge for that day and when the campsite and Cabins open in March, Shriners may reserve spots so we can have a weekend of fun and fellowship. There is going to be more details to come on this.

Shrine Bowl is an opportunity that we will be focusing on this year. We have the chance to introduce the players, coaches and parents to the Shrine and explain why we are Shriners and how we help the children.

I have traveled around El Kahir a lot over the last 4 years and I can tell you that El Kahir is going to have a bright future with your help. In fact, I know the future is so Bright for El Kahir that I have to Wear Shades.

My pin is a SUN with sun glasses because of the bright future for El Kahir. In the sun glasses are the Masonic and Shrine symbols, this should be our focus each day. This is who we are and should always strive to remember what we have learned as we passed through the several degrees, I am going to steal a quote from our Deputy Grand Secretary, Remember ALWAYS try to "Live The Ritual." This is what makes us better men than when we started. If we remember this and try to live it El Kahir and Masonry will be better and stronger in Iowa.

I would like to thank you again for all of the support you have shown Lady Julie and me over the last four years and I know that with your continued support the Future's so bright for El Kahir you will have to wear shades.

If you have any questions, please feel free to contact me at droberge2020@gmail.com

Yours in the Faith,

Dale Roberge, Potentate

Message from the First Lady

Ladies,

I would like to thank each of you that have shown me kindness and generosity while Dale has been on the Divan. I have always found a friendly face at the meetings, parades, and events that we have attended over the years.

My pin focuses on the infinity symbol. This is representative of my faith in God. It is also symbolic of my theme for this year, "Past, Present and into the future," Celebrating the Ladies of El Kahir from the past and all of their contributions. The Ladies of the Present that are here today supporting their Nobles, and the Ladies of Nobles yet to join El Kahir Shrine to lead us into the Future.

This year we are looking to have fun and fellowship. There are a couple of events that I would like to make you aware of that are beginning in February. On February 24th and continuing the 4th Friday of each month until further notice, we will be having a "Create your own Fun" night. It is a night that the Shrine will be open, you can bring a craft to work on by yourself or with friends. We will provide the table space and coffee and tea. Doors will be open at 6pm and we will all be going home no later than 12 Midnight. This is open to the public so bring your friends.

I would like to invite you to the Stated Meeting nights (2nd Wednesday of the Month) for some Ladies' fun. There will be an activity each night with lots of fun and laughter along the way. The night will begin with a meal at 6 pm. The entrée will be Lasagna in February. At 7:30pm the Ladies will adjourn to the Embassy Club while the Nobles are in the large room for their fun. The March meeting will be held in Waverly and the meal may be ordered off the menu or the buffet.

I will be having some Ladies' nights throughout the year. The first will be February 25 at 6pm at the Shrine and is open to all Ladies of the Shrine. The topics for the night will be on various themes. At the February meeting we will be talking of the different events that will be happening throughout 2020. Come out and join us!

I am looking forward to 2020! I am looking forward to getting to know each of you better. If you have any questions please feel free to contact me at robergehome@gmail.com or give me a call or text me at 319-431-1489.

Thank you for all that you do!!

First Lady Julie Roberge

The View from the Recorder's Office

2019 has come to an end and I would like to congratulate Illustrious Sir Jay Owens and First Lady Connie on a wonderful year in leading all of the El Kahir Shrine Nobles. We all hope (and know) that you continue to stay active in El Kahir and continue to lead from the front.

As 2020 begins, I congratulate Illustrious Sir Dale Roberge on his election and Installation. I am sure that the future will be bright for El Kahir with his (and his Lady Julie's) leadership. He has many events planned for this year. These events include the Stated Meetings, Circuses in Dubuque, Waterloo, Cedar Rapids, Shriner Awareness Day (June 6), Caravan (June 13), Sportsman's Raffle (Oct 31), and Ceremonial (Nov 21 – note that there will only be one Ceremonial this year), and many, many other events. Your attendance at these events is extremely important and a great time for Nobles (and their Ladies) to share in fellowship and work together to make El Kahir Shrine even better.

As you may know, we were unable to elect an Oriental Guide at our January Annual Meeting. Therefore, Illustrious Sir Roberge has declared that we will have an election for that office at our February Stated Meeting on the 12th. If you are looking for a leadership position at El Kahir, now is your chance – please talk to any of the current Divan officers (or Past Potentate) if you are interested in the office and want to have an idea of what will be involved.

Finally for this month, I would like to thank the 403 Nobles (77%) who have already paid their 2020 dues. Not only does this provide the funds that we need to operate El Kahir, it also saves us money since every reminder that Imperial sends out gets billed back to us. Also, remember, that in contrast to the Blue Lodge, if you are not current in Shrine dues for the year you cannot attend Shrine meetings or participate in Unit meetings or events.

Until next month, yours in Shrine Faith

Message From The High Priest & Prophet

First off, I just want to, "Thank You" for giving me the opportunity to serve El Kahir as the High Priest and Prophet. I am excited to lend a hand to Illustrious Sir Dale Roberge, II, and the rest of the Divan to help El Kahir have an Incredibly Fun and Productive Year!! I know that this year will bring a deeper meaning to the phrase, "Let there be light!", because I will be learning so much.

My Lady, Stephanie, has a Ladies' Lock-in scheduled for Friday, Jan. 31st. All of El Kahir's Ladies and their friends are invited. It will be a night of fun, games, food and MORE!!! Please RSVP Stephanie if you are interested or have questions. Her contact information is: 319-320-8382

Each member of the Divan is responsible for keeping a clear line of communications with several of OUR Clubs & Units. I will be working with the: Foot Patrol, Vintage Auto, THE WORLD RENOWNED Oriental Band, Women's Auxiliary, Color Guard, Sons of the Desert and OWLS. I am looking forward to getting to know many more of our Nobles and their Ladies. I will say, though, that I plan on getting to know more than just those mentioned above. I WORK FOR YOU so if you can't find the answer for a Shrine related issue from the El Kahir office, give me a call and give me a chance to lend you a hand.

A masonic reference (The Craft and Its Symbols, pg. 65, by Allen E. Roberts): The Trowel does become the chief Working Tool of the Master Mason. He is taught to use it differently than his operative brethren. Instead of spreading cement, the Master Mason uses it symbolically to spread Brotherly Love and Affection. By doing this the Mystic Tie of Freemasonry becomes more binding. Its members are truly united into a Temple of Living Stones. I would ask you to try this mental exercise: During at least one challenging discussion you have this week, take a step back, try to find what the real message you are being given and, regardless of the 'message of delivery', giving the other person(s) the benefit of the doubt and look INTO YOURSELF and honestly ask yourself, "What part of me is this brother asking me to look at?"

Some Masonic Humor: A brother knocked for admission into the lodge. The Master asked the Inner Guard to find out who was seeking admission.

The Inner Guard opened the door and saw someone fully dressed in Masonic regalia with all the jewels you can think of. The Inner Guard asked for his identity and he replied,

"I am the Past Master of..., District Grand Master of...Past Provincial Grand Master of... the Deputy Grand Master of... Senior Grand Warden of... and several other offices he had occupied within the craft."

This made the Inner Guard shiver. He then told him to wait while he reported the information to the Master. When he entered the room, the inner guard said, "Master, it looks as if today, the Great Architect himself, is here and he seeks admission."

In Closing, consider joining a Unit or Club and GET INVOLVED! If we ALL do a bit, a LOT WILL GET DONE

Humbly and in your service,

Todd Morgan, High Priest & Prophet

D.A.D. PROGRAM — DIME A DAY The El Kahir Karavan Needs your Support

Every month the Temple sends out approximately 450 issues. Of these, we send out 125 copies to the widows of Nobles. At a monthly cost of approximately \$ 0.60 /issue, keeping our widows informed of what is going on at El Kahir costs \$ 900 per year. We are asking that you consider donating at least \$35 per year for our Dime-A-Day (DAD) program to help fund the Karavan for these fine ladies. If only 26 Nobles subscribe for a dime-a-day then the costs for keeping our widows informed is covered. Your name will appear in our monthly El Kahir Karavan and you will be assisting the Temple in continuing our publications.

El Kahir Public Relations Committee

“How do we **best** get the word out?”

That was the question posed in late 2019 by a group of El Kahir Nobles that recognized the great work of many Nobles and Ladies who orchestrate activities and fundraisers that support El Kahir. That group of Nobles has now formed the El Kahir Public Relations Committee.

As of current, we are evaluating some of the best advertising channels that are available. Best advertising channels are those that have the maximum reach to the right demographics for the event, at a cost that is within budget and properly appropriated. It should be recognized by all that in today's technology age, we must approach new avenues of reaching our community and prospective Nobles. While we will continue to have the need for flyers and other more traditional means of advertising, the world of digital advertising has opened up an entirely new and highly cost-effective way to notify the community of the events that help raise funds for our great Temple.

Our main goal is to provide a simple process and options for our Units and Clubs, Nobility and Ladies for when they have an event or activity that needs assistance with advertising and outreach. As previously mentioned, we are still in the planning process and hope to have more information for the Nobility as we move forward in the future.

In the meantime, as needs come up or you have questions, please e-mail PublicRelations@elkahir.org.

Yours in the Faith,

Public Relations Committee
Brad Kurtz
