Entertainment - Jill Donavon from Rustic Cuff
She will have a pop-up shop

There are two simple but strong words that describe Jill Donovan perfectly, “passionate“ and “purposeful”. Founder of Rustic Cuff and author of *The Kindness Effect*, Jill graduated from Oral Roberts University and went on to earn her law degree from the University of Tulsa. She is married to Terry, her college sweetheart and has two beautiful daughters.

Jill was a practicing attorney and adjunct law professor at TU when her passion for cuff bracelets, and her need to refill her ‘gift closet’ led her to begin Rustic Cuff.

The brand has evolved into multiple showroom locations in Oklahoma, Texas and most recently Disney Springs, in Orlando, Florida. Her cuffs are regularly featured on multiple national TV shows and can be seen on the wrists of many celebrities such as Miranda Lambert, Gayle King, Russell Westbrook, and even her all time favorite singer, Michael Bublé.

Jill is a sought-after motivational speaker who encourages people to pursue their passions, fulfill their God-given purpose, and always pay it forward! Author of the book, *The Kindness Effect*, she is often heard saying, “You truly can change your world... one act of kindness at a time.”
